Both parking lots are getting repaved this week, June 10th and June 11th, meaning no traffic of any kind, including foot traffic, will be allowed for the entirety of the week.

**If you plan to come to the church, please use the Catholic Church parking lot across the street from the sanctuary on Virginia Street and come in through the double doors by the front office.**

If you can't do steps, please call the church office and we will unlock the playground gate facing Virginia Street, so you can enter through the double doors by the sanctuary and use the chair lift.
