### MAKE AN IMPACT GRANT

Most of you may be familiar with the Local Grants we award every year but this year we are doing another round called, Make an Impact Grant. With this grant First Presbyterian Church is looking to help fund a new and innovative project that might provide a unique structure for meeting basic needs of local people with the coordination of various agencies. First Presbyterian Church has up to \$40,000 available to one or more agencies with a unique idea on how to better serve our community and bring hope to the heart of Charleston and beyond. If you know a non-profit organization in Charleston that has an innovative and unique idea to better support the people of Charleston, have them go to our website [www.firstpresby.com](http://www.firstpresby.com) for the application.

### CHURCH DIRECTORY

This is the last week to get those family photos in for your Realm profile! Diana will be printing directories very soon. Please email updated photos of you and your families to Diana at [diana@firstpresby.com](mailto:diana@firstpresby.com) by June 30. She will then add those photos to your profiles and make up a directory to be put in the pews. The photos don't have to be fancy portraits, just current and clear! We have already received some wonderful photos so thank you!

### ACCEPTING DONATIONS

Kanawha County and surrounding counties are under a heat advisory with the heat index expected to reach 103. If you wish to help our unsheltered neighbors, you can donate water, Gatorade, popsicles, etc. You may bring your donations to First Presby or straight to Bream Presbyterian as they are a cooling shelter and are open from 1pm-4pm daily.

Thank you and please stay safe!

## WV HEALTH RIGHT NEEDS VOLUNTEERS

“As our East End clinic has expanded, we are expecting to serve more patients than ever before. With expanded services and a larger clinic, we are now seeking daily volunteers for our **Volunteers With Heart** program to help greet our patients and guide them to their destination in the clinic. We understand that for some people, just walking through our doors can be daunting. The individuals enrolled in our new program will be among the initial points of contact for these individuals, potentially greatly enhancing their overall experience.

Our **Volunteers With Heart** program is a great opportunity for anyone wanting to gain nonprofit and clinical experience, or just to get involved in the community. To enroll, please complete this application: <https://wvhealthright.org/volunteers-with-heart/>

Once the volunteer application is submitted, I will be in contact with the applicants to schedule a time to meet to discuss training and volunteer scheduling.”
